**ATRIO SYSTEMS TO OFFER WEBINAR ON
USING MICROSOFT CRM WITH MOBILE DEVICES**

Pontiac, MI: August 18, 2010 – Join Atrio Systems for this webinar and learn how mobile professionals can utilize Microsoft Dynamics CRM anytime, anywhere with BlackBerry, iPhone and Windows Mobile smartphones. The webinar will be held on Wednesday, September 15, 2010 from 11:30am to 12:30pm EST.

The mobile solution for Microsoft CRM combines the user-friendly and productive access along with the security and manageability that organization needs for a business critical system. At this webinar, you find out how to access all data in Microsoft CRM no matter how much your implementation is customized. And by leveraging views, roles, and personalization, the solution is uniquely capable of providing a similar experience that users have on their desktop for Microsoft CRM.

Don't miss this opportunity to learn from Atrio Systems, an industry leader in improving sales performance and productivity. For further information or to register for this event, go to www.atriosystems.com or call 248-874-1758 x115.
