

ATRIO SYSTEMS PRESENTS:
MICROSOFT DYNAMICS USERS GROUP CONFERENCE

For Immediate Release

PONTIAC, MI – October 3, 2011 - Atrio Systems is hosting a Microsoft Dynamics User Group conference on **Wednesday, November 16, 2011 from 9:00am – 2:00pm EST** at the Microsoft Office in Southfield. You will be given the opportunity to attend breakout sessions on Microsoft Dynamics GP, SL and CRM. Along with Atrio Systems, Custom Computer Resources (Microsoft Dynamics SL) and Vantage Business Solutions (Microsoft Dynamics GP) will also showcase their respective Dynamics solutions.

Microsoft Dynamics User Group is a 5-hour educational event with 12 break-out sessions, which draws both current users of Microsoft Dynamics CRM, GP and SL solutions, as well as companies considering new business management software. There is no cost and a complimentary lunch for attendees, but reservations are required and space is limited. This year's conference will be held at Microsoft, 1000 Town Center, 19th Floor, in Southfield. To attend this event and learn all about Microsoft Dynamics solutions, register today at www.atriosystems.com. For further information, contact Laura Cubbler or at 248-874-1758 x114.

Atrio Systems: With 20+ years of consulting experience, Atrio Systems, a sales, marketing and CRM consulting firm, helps companies shorten their sales cycles and win more business. As a Microsoft Certified Partner with a CRM specialization, Atrio's focus on sales and marketing, combined with their technical knowledge makes them uniquely qualified to successfully work with companies and improve the maturity level of their sales processes.
