## **ATRIO SYSTEMS ANNOUNCES JULY THRU DECEMBER CRM TRAINING COURSES**

**Pontiac, MI. - 6/4/07** - Atrio System's CRM University has announced their July thru December Microsoft Dynamics CRM training courses. Atrio's CRM training courses are hands-on, instructor lead courses that are held monthly at their training facility in Pontiac. Courses are aimed at current users of Microsoft Dynamics CRM 3.0.

"Drawing from our experience of over 60 CRM implementations, we have created a series of highly effective training courses that offer real-work scenarios for attendees. All of our courses are instructor lead courses that allow us to provide attendees with one-on-one training that increases their productivity and proficiency using Microsoft Dynamics CRM. In addition we provide best practices, tips and tricks that attendees can take back to the office with them," said Adam Cross of Atrio Systems. Courses for July thru December are as follows: July 11th – CRM for Sales, August 15th – CRM for Marketing, September 12th – CRM for New Employees, October 10th – CRM for Account Executives, November 14th – CRM for the Advanced User, and December 12th – CRM for Customer Service.
